## Melbourne World Naked Bike Ride 2008 Sunday 9<sup>th</sup> March

**Go as bare as you dare!**  
**Protest oil dependency!**  
**Celebrate the power and individuality of our bodies!**

Gather at 4PM at the Rotunda in Edinburgh Gardens in North Fitzroy (on the north side of the gardens). Ride leaves at 5.

Bring bike decorations, body (or finger) paint and your smile. Don't worry, we're all a bit shy when it comes to public nudity –bring your bathers if you'd like and have a little Dutch courage. We'll ride through the friendly streets of Melbourne's inner North, putting smiles on the faces of onlookers, and challenging attitudes towards nudity, transportation and public space.

Afterward: socialising, merriment and BYO food and drinks.
