

WNBR stall at KINGSTON GREEN FAIR, Bank Holiday Monday 26 May 2008

Fair open 11:00–20:00, uninviting weather meant WNBR stall operating 13:30–17:30.

Rob Jordan booked the pitch and lent the gazebo. Bernard Boase and Graham Evans manned the stall. Erica Bower offered to lend a female face, but was let off on account of the weather; many of her 2007 photographs were, however, displayed.

Provided: table and two chairs (against £25 returnable deposit).

Brought: Gazebo, big bolts for stronger guy pegs, table cloths, spring tabletop clips, bulldog clips, scissors, markers, spare paper and card, rubber bands, weights (to counter wind), drawing pins, duct tape. Sheet to collect email addresses. List of UK rides. Leaflets (London, Brighton, Southampton). Red "CURB CAR CULTURE" flag from 2007, books of A4 photos, two A2 photos.

Merchandise: flags, t-shirts, CDs, postcards, "one less car" bike stickers.
