Sheffield World Naked Bike Ride

Saturday 19 June 2010
START at Victoria Monument, Endcliffe Park
ASSEMBLE at 10:00am FOR 10:30AM DEPARTURE
DON'T GET TOTALLY NAKED IN THE PARK - KEEP THE VITAL BITS COVERED (wear something easy to slip off outside the park or at the big island where we will halt for this)
End at St. Mary's Gate/Eccleshall Road Roundabout

BARE AS YOU DARE! - Don't have to be totally naked.

Do not fear! The World Naked Bike Ride dress code is "As Bare As You Dare"... How bare is that? How dare is that? It's all up to you. You decide what you are comfortable with. *No one is excluded or discriminated against* based on levels of clothing, bodypaint, or anything else for that matter!

Why: - Oil dependency and car culture
- Visibility/vulnerability of cyclists
- Body image (few of us are media-models)

Don't forget:
- Bicycle (or rollerblades)
- A way to carry your clothes
- Suncream, sunglasses, hat if you're an old guy like me
- Bells, horns, something noisy if you can
- Signs, flags, body decoration (Jesters at Hunters Bar has body paint)
- Camera, video camera if you have one
- Anyone have a clicker-counter ?

Thanks for help and support:
- South Yorkshire Police
- Sheffield Council Events Team
- Organisers of Sheffield Armed Forces and Veterans Day

who have all co-operated in timing and routing different events to avoid difficulties. Please behave sensitively to supporters of coincident events taking place.

Special thanks to South Yorkshire Police who put in a lot of time and effort liaising with us and other bodies involved and arranging on-ride support for us.

Safety: Tram Lines can trap wheels - ride down the middle, cross at oblique angle or stop and lift across. Marshalls are a condition of the insurance – always follow their instructions.

Volunteers wanted - to make it even better:

Video-makers, Music, Free-standing Body Painters, Clicker-Counter, First Aiders
