

York World Naked Bike Ride 2014

Friday 20th June 2014 - 5.30 pm
Millennium Bridge, York

Tired of the *Le Tour*? Jaded by the jerseys? Puzzled by the peloton? Fret no more. Chill out instead with your very own naked *Tour de York*, the cheap and cheerful carfree alternative with positively **no** racing.

Yes, in solidarity with cyclists in cities across the globe, **York World Naked Bike Ride** returns for its ninth *étape*. Join us to **protest** against unsustainable oil usage and the destructive effects of car culture. Ride with us to **celebrate** your bike and the power and individuality of your body.

We face automobile traffic with our naked bodies as the best way of defending our dignity and exposing the vulnerability of cyclists and pedestrians on our streets.

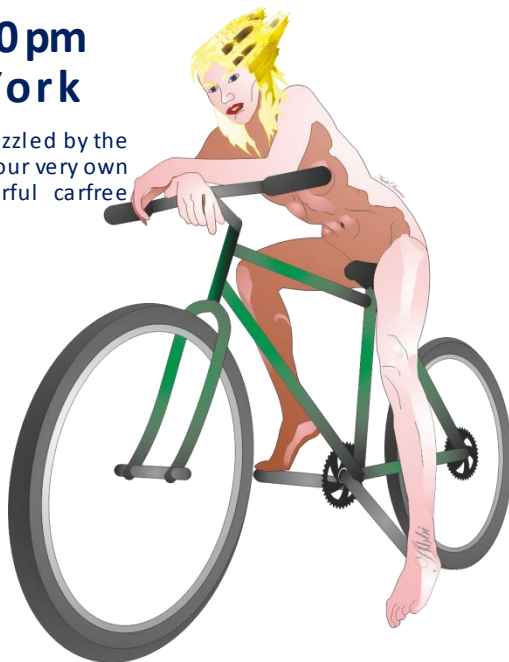

Come as bare as you dare. We decorate our bodies and bikes with messages of opposition to oil dependency and car culture. Use body paint, flowers, feathers, attach flags and placards. And if you really want a yellow jersey, we'll paint one on for you.

Turn up from 4.00 pm for a brave and beautiful protest. We assemble 50 metres south of Millennium Bridge on the Fulford side. Bring bells, whistles, a bag or pannier for your clothes and something to eat and drink. *Le Grand Départ* is at **5.30 pm**. All cyclists welcome.

Allez – Vive la vélorution!

The ride has been arranged in consultation with the City of York Council and North Yorkshire police. Nudity in the context of our demonstration is not illegal. All under 18s should be accompanied by a responsible adult.

*Notice us when we're **NOT** naked!*
