\* Per @SFBos(SES)/CityHall codes/laws — & **customary to most Naturist resort rules** — Nudists **MUST** use a "barrier" ( eg: folded clothing ) when seated on any common or public commercial surface which is not Your own private property ( eg: Your bike ). **Thank You!**

Pssst ... !

nudism is freedom • embrace yourself • life is too short to do otherwise  
**every body is a nu-dist!** (some are just "in the closet")

join the fun!
